● system checks

All vessels require regular check-ups. Engines, electronics, pumps, hydraulics and accessories all need to be inspected to insure they are working properly. The more complex the vessel, the more complex systems there are to check. We customize our system checks to each individual vessel to insure you receive the most effective services within your budget.

● electronic system design & installation

Sophisticated electronic systems require thorough planning, meticulous attention to detail and impeccable installations by skilled technicians. Whether designing a complete package for a new tournament fishing boat, a motor yacht, or adding upgrades to your vessel, International Marine is the number one source for all marine electronic needs. International Marine Service is proud to be dealers for the following manufacturers:

GARMIN

SIMRAD

● professional boat detailing

Professional boat detailing goes much further than simply cleaning your vessel, and is more important than simple aesthetic appeal. We know that it's a constant battle against the elements that attack all parts of your boat.

At International Marine Service we know the importance of preventive maintenance and take great pride in our work and provide the highest level of boat cleaning service available with the utmost professionalism and attention to detail.

MECHANICAL SERVICES

At International Marine Service we are fully set to handle all of your marine mechanical needs. Whether you own a 20-foot center console boat or a mega-yacht, we have **FULLY-TRAINED** boat mechanics at your disposal:

No matter what type of marine engine you have, we'll keep it running in perfectly all the time. Ask about our **100-HOUR SERVICE (OR ANNUAL SERVICE)** to give your engines the attention they require, or schedule our yacht mechanic to complete a monthly system check to insure things continue to run smoothly before your next voyage.

BOAT REPAIR SERVICES

As a boat owner you are well aware that there is always something that needs to be repaired. This fix could be chipped gel coat, caring for your woodwork or major storm damage; we have the expertise to keep you on the water. Many of our boat repair services can be provided dockside, however for larger project we may need to haul your boat at a local boatyard.

No matter how large or small your project, we can manage every aspect keeping you informed 100% of the time. Our boat repair services include:

24-hour caribbean emergency response

International Marine owns and operates its own airline fleet to assist with your emergency maintenance needs while in the Caribbean. Calling our emergency response hotline will dispatch our aircraft and technicians to your location 24 hours a day 7 days a week. They will quickly diagnose your maintenance needs and get you up and running so you can continue your stay in the Caribbean.
